

September, 2006

Dear USAPL Members:

I hope that everyone enjoyed their summer. First, I would like to congratulate all of our New England area lifters who competed in the various USAPL National events this past year. The following lifters were selected to represent the USAPL at their respective IPF World Championships:

<b>Men's Masters:</b>	Eric Kupperstein
<b>Women's Masters:</b>	Donna Aliminosa
<b>Women's Open:</b>	Liane Blynn
<b>Women's Open:</b>	Disa Hatfield

What a tremendous accomplishment to have not one, but four of our New England athletes be picked to represent the USAPL at the IPF World Championships!

Please make sure to visit our website [www.newenglandusapl.com](http://www.newenglandusapl.com) to view upcoming events, state chair listings, records and results from our competitions. Feel free to contact us at [eccbeast@yahoo.com](mailto:eccbeast@yahoo.com) with any feedback or comments. We welcome your input. This is your website!

As always, thanks once again to everyone who assists in any capacity with helping us to run these events. And thanks to all of the lifters who compete in our events and support the USAPL! Hope to see everyone in November.

Yours in Powerlifting,

Greg Kostas – USAPL Mass State Chairman  
Rene Moyen – USAPL RI State Chairman
